LOCAL LUXURY

BY BRENDA MORRISON • PHOTOGRAPHY BY JIM NORTON

Among the first products introduced by the new 100 Green Miles brand of fine foods, these French-style Pâtés En Croûtes (\$4.50/100 g) are certain to satisfy even the most discerning locavores. Made using all-natural Ontario ingredients, this delicious fare features pâté baked within a pie-style crust. That means there's no need for bread or crackers. Simply slice and serve! Renowned chef Roger Wils (formerly of Café Brussels in Toronto) is producing both a Duck Pâté En Croûte and Pork Pâté En Croûte, with additional flavours in the works. Available across Ontario, including at Longo's. For your nearest retailer, call 866-929-7756.
